POP UP MAX

Pop up bag with a rigid bottom

300
g/m²

PES

The Pop up max is a bag with a rigid base for waste with a new closure on the top for easy carrying of garden waste. The rigid base allows the whole bag to be strengthened and to be able to pull it along the ground with no risk of tearing the seams.

Benefits

POP UP bag with rigid base and new closure on the top. Very easy to open and to tidy away. Carrying waste guaranteed 100% clean. The rigid base allows you to pull the bag without damaging it (provided it is reasonable).

Characteristics

Dacron canvas 300 g/m². Green / green 381C colour. 2 strengthened handles + 1 base. Available in 2 new sizes, 100 and 175 litres.
